Combined Skill Levels	6 & Below	7-9	10-12	13-15
6 & Below	3/3	3/4	3/5	3/6
7-9	4/3	3/3	3/4	3/5
10-12	5/3	4/3	4/4	4/5
13-15	6/3	5/3	5/4	5/5

- Maximum of 5 Players Per Roster
- Teams Choose 3 of the 5 Players to Participate in Each Match
- Total Combined Skill Levels for the 3 Participants in each Match may not exceed 15
- One time-out per player per game will be allowed
- Alternate between 8-Ball & 9-Ball Racks; Starting w/8-Ball
- Teams flip a coin to decide who must declare their 3 players first. Winner of the flip has the choice to declare first OR have the opposing team declare first
- The first team to declare must list their 3 players in ascending order (lowest to highest); then the opposing team lists their 3 players lowest to highest
- Once both teams have declared their players, the players are locked and may not be changed unless the 15 rule is in jeopardy
- Order of play will be lowest skill level to highest for the 3 players on each team
- Players lag to determine the first break
- Once the first two players have completed their rack of 8-Ball, the second two players will play a rack of 9-Ball. After that rack is completed, the third set of players will play a rack of 8-Ball. If necessary, the 4<sup>th</sup> game would be the first set of players playing a rack of 9-Ball. Play will continue in this pattern until one team reaches the total number of points/games necessary to win
- 9-Ball is not ball count; a legally pocketed 9 ball wins the rack
- Winning team breaks with the next player in the rotation
- Each rack is worth 1 team point
- Games Must Win Chart will be used (Shown on the Left)
- A player's highest skill level between 8 or 9 ball will be used towards the 15 rule. (Exception – Skill Level 8&9 will count as 7s in this event)
- Only one senior skill level (6 and higher) may play in each match
- Players may only be on one team
- Players must be active Louisville APA members
- Players must have at least 20 8-Ball or 20 9-Ball scores within the last 2 years. A combination of scores between the two formats is not allowed
- Players must have completed at least 2 sessions as a Team Captain of a Louisville APA 8-Ball or 9-Ball team in the 2024/2025 League Year
- Players must play at least 4 times in the Spring 2025 session
- To be eligible for the Vegas Team Captains Tournament, players MUST play in the Summer 2025 session
- Double Elimination
- Team Fee = \$500 (Includes Table Fees)
- Actual prize value and travel assistance will be dependent upon total number of entries received; Vegas slot fees and Railyard greens fees will be deducted from travel assistance.
- Doors Open @ 11:00AM / Play Starts @ 12:00PM
